

At Cana, we nurture dignity, hope
and belonging for all.

As a community, we welcome your
corporate team to connect, share
time, experiences, values and mission.

Work alongside our team and
community in the garden, kitchen, or
lend a hand to general duties around
the farm. Our men and women are
generous in sharing their stories, and
we hope you benefit from listening
and developing a greater
understanding of the challenges that
people face when living on the
margins.

We can cater for corporate groups
of up to 25 people on a designated
day with a contribution per head.

All monies received enable us to
continue our support of the vulnerable
men and women in our community
and provide transitional employment
and future opportunity.

Thank you for supporting
our community.
